

Looking Ahead™: Planning for Success in High School and Beyond

Presented by
At The Core LLC

A Special, Free Presentation for 8th Grade Parents
in Dublin City Schools

This free program has been made possible by PERC,
Parents and Educators Raising our Community.

You have been invited to attend a **unique, valuable, and free** program. You won't want to miss it! Beth Probst, Founder and CEO of [At The Core](#), has crafted an evening of tips and tools to share with you to help you **prepare your student for high school and the road ahead.**

Topics will include:

- A timeline of what you can expect each year in high school
- Choosing courses and an overview of all the options available (honors classes, AP and IB, College Credit Plus, Emerald Campus programs, Tolles, etc.)
- The value of pre-planning – keeping college prep and graduation requirements in mind
- Extracurriculars that support your student
- Achieving the balance needed for success in the long run
- ACT/SAT testing – a 10,000 foot level look to get that thinking started
- How parents can support their maturing students
- And more!

Date: Tuesday, January 11, 2022 6:30 – 8:00 pm

Location: Performing Arts Center at Dublin Coffman High School

Registration: <https://bit.ly/LAPER22>

Seating is limited. Register today to reserve your seat!

This session is built for parents at all Dublin high schools. Our kids get great support from school during the MS to HS transition, and we know parents also need support. Hope to see you there!
